

# ***VITCON 9032 RELOL***

## **Formwork Release Oil**

### **DESCRIPTION**

**VITCON 9032 RELOL** is light brown ready to use formwork release agent. **VITCON 9032 RELOL** is based on synthetic oil modified with selective additives. **VITCON 9032 RELOL** is specifically formulated for smooth release of concrete from surface of formworks used in construction industry.

### **ADVANTAGES**

- ✓ Smooth release.
- ✓ Easy to apply on any surface.
- ✓ Helps to achieve excellent surface finish in concrete.
- ✓ Zero contamination with concrete.

### **COVERAGE**

**VITCON 9032 RELOL** is generally applied on the formwork surface either with brush or spray. The coverage is normally 30 – 35 square Metre per litre depending on porosity of substrate.

### **APPLICATION**

**VITCON 9032 RELOL** is applied on the formwork after cleaning the loose particles off the surface. The coating should be ensured to be uniform all throughout the surface.

### **SPECIFICATIONS**

Appearance	: Light Brown liquid
Sp. Gravity	: 0.95 ± 0.02
Chloride content	: Nil
Shelf life	: 12 months
Storage	: Under shade

### **SAFETY**

**VITCON 9032 RELOL** is non-toxic and non hazardous. However, any splash on the human body should be washed out immediately with plenty of water.
